Introduction

What is Teamlytical?

Introduce

Create a condensed resume to showcase experience, skills, and projects.

Discover

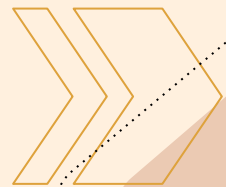

Explore community posts to find a projects suited for your capabilities.

Collaborate

Post your own projects to build a team of collaborators fit for your product's needs.

The Problem

Inexperience

Incomplete Resume

No professional internship/full position under your belt

Out of Work

Want to keep skills honed between jobs

Need Extra Practice

Wanting more experience before entering the workforce

Turning to Forums

Receiving vague guidance
from strangers

Need Teammates

Not enough time on your
hands to accomplish tasks

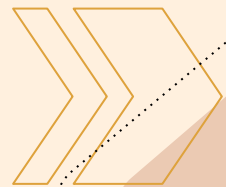

Lacking Connections

Wanting to build relationships
in a professional setting

Alternatively...

The Solution

The Solution

Experience

Every project is presented as a way to gain practice

Collaboration

Get your questions answered directly and clearly

Relationships

Friend feature allows users to keep in track with past team members

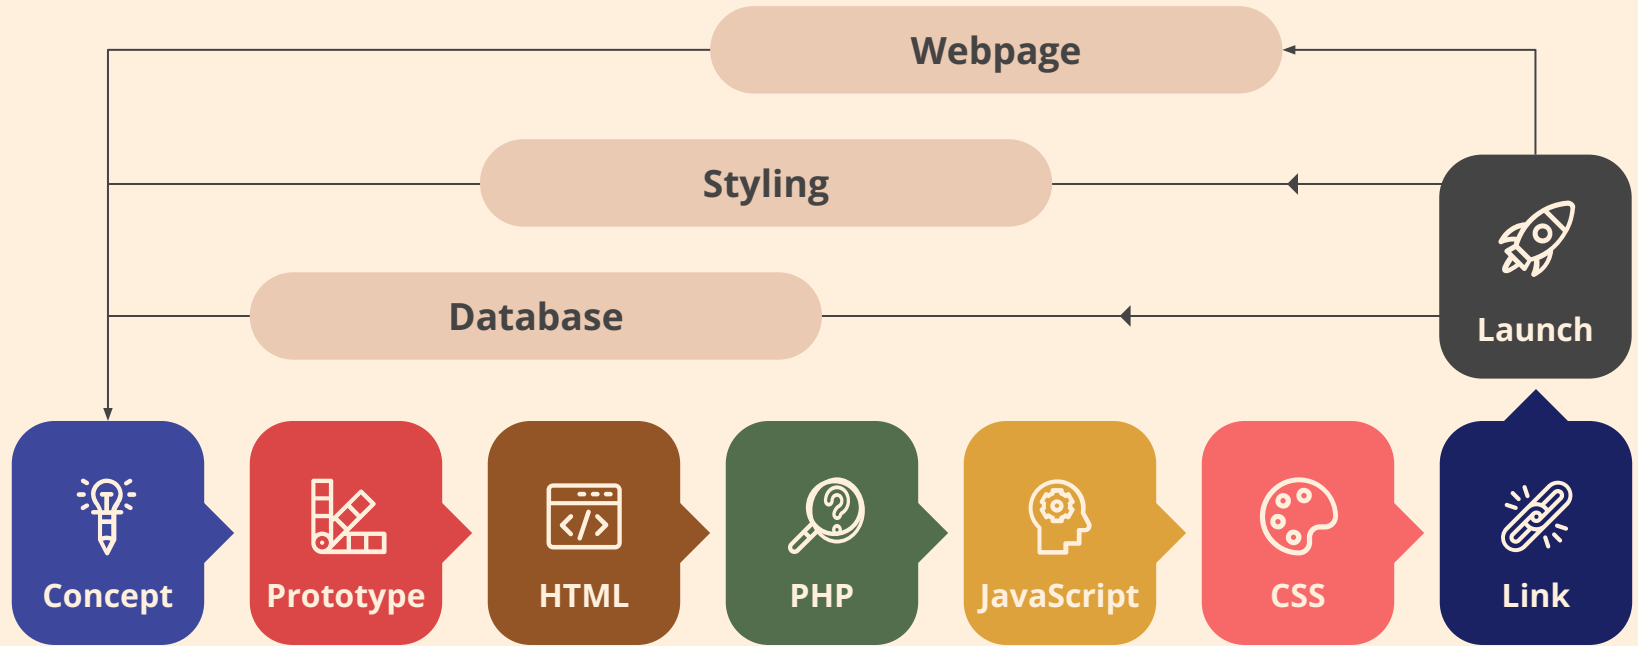

Shame-Free

Intended user base consists of other students lacking professional experience

The Process

Process

Areas of Focus

Primary: Area 1

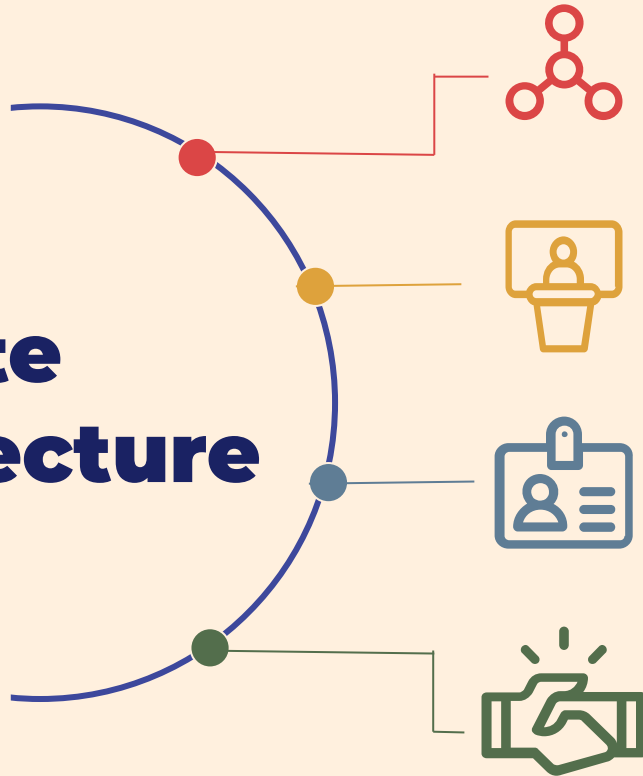

HTML, CSS, and graphics for
page layout and design

Secondary: Area 5

Put real data in a database,
cookie, session storage, or
local storage

Site Architecture

Ctrl+-Click to select

The image shows a web browser window with a sign-up form. The browser's address bar shows 'https://'. The page has a 'Home' button in the top right corner. The main content area is titled 'Welcome' and contains four input fields labeled 'Name', 'Username', 'Email', and 'Password'. A tooltip with the text 'Ctrl+-Click to select' is visible over the Password field. The background of the slide features abstract orange and yellow shapes.

What makes ours unique?

Made by Students

Recognizing that many students do not yet have a professional background

Simple

Accounts can be made in less than a minute, posts in less than five

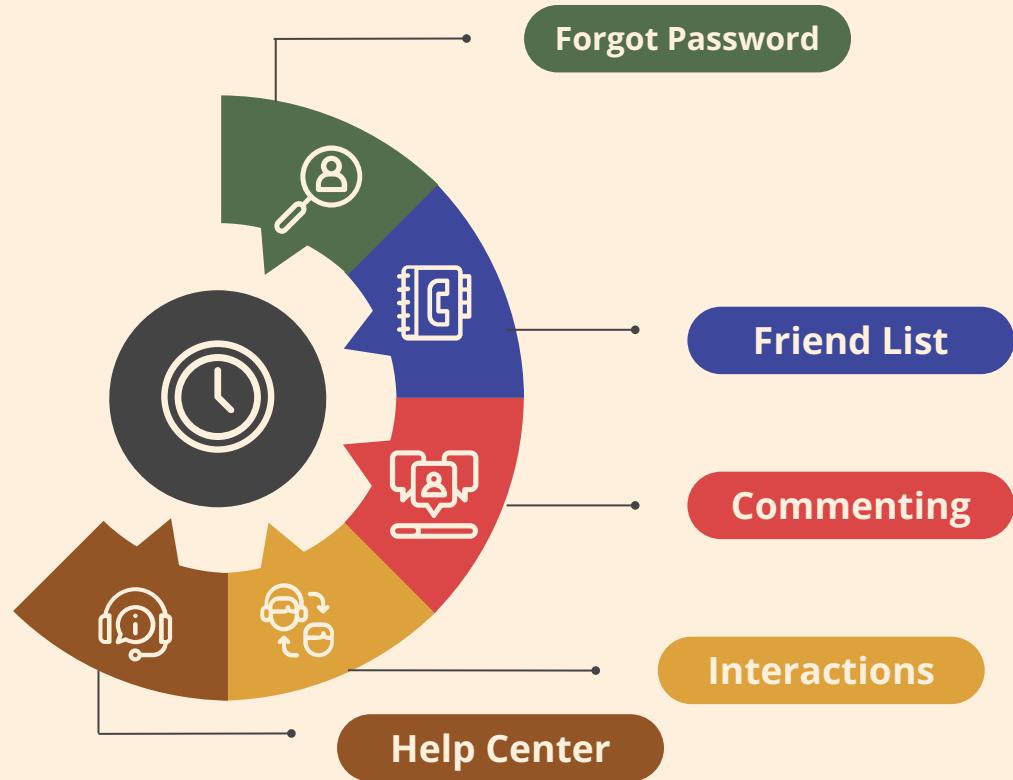

One Goal

Sticks to the primary focus of allowing users to gain experience in a more professional setting

The background is a light beige color with several abstract shapes. In the top left, there's a large, irregular brown shape and a thin orange circle. In the bottom right, there's a large brown shape and a solid orange circle. A large, light brown diamond shape with a dotted border is centered in the background.
